**Help Card**

**Not in first 30** means your Web site was not found in the top 30 positions. You may scan more matches by increasing Matches to Scan under the Mission Option Tab. Click here for why WebPosition may not be finding matches! (Run the Page Builder and Page Critic for help on improving these rankings.)

**NA** means Non-Applicable or no prior day's positions to report yet.

**NM** means No Matches were found for that keyword search.
